

Date: 2013-04-12

Facilitator: No one

Participants: Carl Jansson, Erik Tholén, Peter Eliasson, Simon Persson

Objectives: Discuss feedback from seminar. Decide what should be done during the weekend.

Reports: None.

Discussion items:

1. Feedback from the seminar
2. Who will do what during the weekend.
3. Switch to Slick2D

Outcomes and assignments:

1. The feedback we got was things we had already thought of.
2. Each member should keep working on the RAD document and read up on Slick2D
3. We noticed during the presentation that many groups were using Slick2D, and we too have decided to switch to using it.

Wrap up:

Next meeting will be on sunday, 2013-04-14.
